

Zen Gab Foundation and the Military Veteran Peer Network are partnering to host our inaugural **Women Veterans' Day Honor Luncheon**.

Zen Gab Foundation is a combat disabled veteran owned 501(c)3 that take pride in providing in home and community based recreational therapy and peer support to veterans and their families who battle with mental health disorders and sexual and domestic trauma in Harris and Montgomery counties. The Military Veteran Peer Network is the state program for Veteran's mental health and is operated by Tri-County Behavioral Healthcare, a 501(c)3 organization that covers Montgomery, Walker, and Liberty counties. In an effort to connect our community resources to veterans and their families and community members, we are hosting a Women Veterans' Day Honor Luncheon on Saturday June 11, 2022 from 11:00AM-1:00PM

This event will bring local resources together to honor local women veterans who will benefit from our inaugural luncheon, providing knowledge for and enroll them in the services offered. We are looking forward to the community uniting in this effort to assist and honor women veterans. It will be a grand two-hour luncheon completed with gifts, guest speaker, and delicious food.

To make this event as grand as possible, we would like to provide a few special touches to include décor, family activities, and gift bags for local veterans and their families. We are offering several sponsorship opportunities for your organization to choose from.
